

PTO Meeting Agenda

January 17, 2012

Welcome / Introductions

Review of Budget

*Scrip...we will likely take 2 more orders, one before Easter/teacher appreciation, and one at the end of the school year. PTO covered the gift cards for the giving Tree that were not purchased.

Principal Report

*MAP testing in the past was not necessarily done for every child. Teachers presented with the option to test all and chose to do so in order to monitor all students' progress. Can test out of grade level to see if child is at below, or above. The results are being used to adjust the teaching; if a child is not improving, need to figure out what changes to make. Data walls will track progress.

*PBIS (Positive Behavior Interventions & Supports) is the behavioral component behind Cougar Cards. There will be a Cougar Assembly Thursday of this week. If the school has reached their goal as a whole, they will enjoy a Winter Fun Day.

*The Franklin school board will be making its way around to all of the different facilities. They will hold a regular working meeting at CD on Feb. 8th.

*Long discussion on child drop off and pick up procedures. Email will be sent out tonight with important points. We will give it some extra time to improve timing of pick up at the end of the day. Morning drop off is working nicely already.

*New lunch schedule is working very well.

Upcoming Events

* Pastries with Parents—February 16th and 17th at 8:30. More info to come.
