

# PTO Meeting Agenda

## March 20, 2012

### Welcome / Introductions

### Review of Budget

- \*Box tops did very well for us this year, this last collection was worth 975.50, giving us a total of \$1732.80 for the year!!
- \*The Carnival another huge success...looking at around \$6700 in profit! Thanks to all who helped and came to support this great event ☺
- \*PTO just purchased a Laminator for the school, costing \$1,935.99

### Principal Report

- \*Mrs. Noel gave a very informative power point presentation explaining the differences of WKCE and MAP testing. Her presentation will be up on the school website...definitely worth taking a look at to better understand and interpret the results that we see our children bring home!
- \*Next year even K5 and Grade 1 will be introduced to MAP testing
- \*She will also be posting links that can help us find/choose books for our kids that are within their lexiles, as well as links that provide interactive games and activities that focus on the children's current RIT scores.

### Upcoming Events

- \*Cousins' Nights will be the last Monday of the month for the next 4 months. PTO will earn 10% of the profit for those nights 4-8pm.
- \*Science Night...will be on April 27<sup>th</sup> starting at 6:00. Now will be providing food for those who would like dinner...Cousins subs will be available for purchase.
- \*Book Fair will be the week of May 14<sup>th</sup>...this time around in BOGO!!!
- \*Country Lanes will be donating a percentage to us for all who come on the Wednesday of Spring Break, April 11<sup>th</sup>, from 11-2.

### Past Events

- \*The Carnival, as mentioned in the budget was very successful once again!! Overall, everything ran quite smoothly, we sold out of food, needed to restock tickets, and had a great time with the raffles and silent auction. Thank you to all who donated items, money, and time to make the baskets!
- Next year we will be looking for people to possibly co-chair the event and split up the duties by the main areas of need, ie. raffle, food, games.

### Open Discussion

- \*Discussed getting Tax Exempt Status for PTO, most felt this would be worthwhile and worth the fee.

Next year all of the teachers on the PTO board are up for Re-election. We are in serious need of parents to consider taking a board position in order for the PTO to survive next year. Right now only the secretary position will remain full at the end of this year!!!! We are very open to electing a board without naming a specific President, we could work as a committee and divy up the duties once we see whose talents work best where! More to come on this...
