

# December 14, 2010 PTO Meeting

The meeting was called to order at 4:10pm. Board members present were President Lisa Hansing, Co-Vice-Presidents Mitch Calkins and Ruth DeBellis, and Treasurer Dave Blask. Also attending were Country Dale Principal Larry Madsen, Grace Boehm, Carrie Wisotzke, Patricia Snead, C.J. Davis, and Susan Kaja.

Dave Blask provided a current review of the budget. Lisa Hansing and Dave provided information regarding book fair profits. Since providing SMART Boards has been a funding priority, Larry Madsen discussed the possibility of the purchase of a new SMART Board unit. With the Scholastic Bucks earned from the book fair, it may be better to purchase the SMART Board through Scholastic. Although the purchase would have to be approved by a technology administrator, it seems as though the "Scholastic Smart Board" is the same model as the other SMART Boards in the school.

The spring Book Fair will possibly be held during the same week as the Spring Concert. Lisa will give the PTO details in an upcoming meeting.

Although Movie Night was a success, it was brought to the PTO's attention that students were fooling around a bit during the movie. This type of behavior was a bit distracting. Since soda is not aloud in the gym, the PTO decided that only water would be served for the next movie night. Water is a healthy, calm alternative to the traditional sticky, sugary soda.

## Upcoming Events

- ∞ Movie Night                      January 14      7:00pm              Toy Story 3
- ∞ Pastries with Parents      January 27 & 28
- ∞ Science Night                      February 11      Committee: Ruth, Mitch, Bev Bryant
